To whom it may concern,

I wouldn't be surprised if you are processing truckloads of applications, however, as this is the one year anniversary of my application being modified I am hoping someone could get back to me with the status of my application.

Good afternoon,

My name is Police Officer Imbembo, and I am the investigator assigned to your case. While I was reviewing your documents, I discovered that you are missing several documents.

Please provide me with the following items:

1. An up-to-date utility bill.
2. Two (2) additional character reference letters. I can see that you have provided two (2) already; however, for the special carry license you need a total of four (4).
3. A written statement (you may simply reply to this email) requesting which firearm(s), maximum of two (2), you want on your special carry license. Please include the make, model, caliber and serial number of the firearm(s).
4. Two (2) photographs of the firearm(s) you are requesting be placed on your you license. One (1) clearly displaying the firearm(s) serial number, and the other of the entire firearm.

You will have 10 business days to submit the above listed items. Failure to do so may result in your application being denied. Again, your deadline will be **Thursday, October 24, 2024**.

Please, if you have any questions, feel free to reach out via email at any time!

Thank you and have a great day!

Police Officer Samantha Imbembo

1. All my utility bills are in my wifes name. Attached is an insurance bill in my name. Please let me know if this satisfies you, or not.

2. I will send two more references tomorrow.

3. I would like to carry either, Glock 43x 9mm [REDACTED] or Beretta 80X [REDACTED]

In the time that has passed since I submitted this application I no longer own the Beretta 1935 32 cal nor do I still own the Remington 11-48 12 ga shotgun.

Firearm Purchase Instructions

Dear Licensee,

In an effort to reduce the number of trips you need to make to the License Division, we have changed our license “issuing” process. Please use the conditional approval letter attached to go to a dealer and purchase your firearm of choice that is compliant with New York City specific rules and regulations.

- ❖ Acceptable firearm colors are: black, dark grey, dark green, silver, steel, or nickel. NYC Admin Code § 10-131(j)(1)
- ❖ You may only purchase a new firearm once every 90 days. NYC Admin Code § 10-302.1(a)

THE DEALER WILL PROVIDE YOU WITH A BILL OF SALE, BUT WILL NOT RELEASE THE FIREARM TO YOU AT THIS TIME.

If you intend to purchase a firearm from other than a Firearm Dealer, inquire as to special procedures by email at:
DG_LIC-Purchaseorders@nypd.org

Once a pistol is purchased, you must email the License Division at: **DG_LIC-Purchaseorders@nypd.org** within **72 hours**, to request an appointment for license issuing.

Your email must include a copy/photograph of:

- The Receipt/Bill of Sale for the firearm’s purchase
- A minimum of two (2) **color** photographs of the firearm that you purchased:
 - ❖ The first photograph must display the entirety of the firearm with accurate color representation,
 - ❖ The second photograph must legibly capture the serial number of the firearm.
- Proof of ownership of safe storage - Consisting of a Bill of Sale and two (2) color photos of the safe storage, depicting both the interior and exterior of the safe/container. Photos may not be stock images and must depict the entirety of the safe/container, not merely a portion thereof.

Once the above items are received, the License Division will contact you via email with instructions on how you will receive your license. Licenses will either be mailed or an appointment will be issued for in-person pick-up.

License Issuing Instructions

Please arrive to your issuing appointment timely and bring the following items with you:

- Your government issued identification;
- Approval letter;
- Firearm bill-of-sale;
- A minimum of two (2) **color** photographs of the firearm that you purchased:
 - The first photograph must display the entirety of the firearm with accurate color representation,
 - The second photograph must legibly capture the serial number of the firearm.

At your appointment, we will print your license and list the firearm for which you have provided a bill of sale on the back of the license. We will also provide you with a “Purchase Authorization.” After your license is issued, you must return to the dealer from whom you purchased the firearm, with your license, bill of sale, and purchase authorization, and they will release the firearm you previously bought to you.

DO NOT BRING ANY FIREARMS OR AMMUNITION TO YOUR ISSUING APPOINTMENT!
